About Us

Cupid's Last Run, a.k.a. Chester

Chester is being sponsored by Windsor Garden Design, LLC.

Rescue & Sanctuary

In 2017, "HSF" was established to initially rescue, rehabilitate, and rehome horses, ponies and donkeys.

Over the years following its inception, HSF expanded to rescuing all farm animals and small animals, while also engaging the local community to ensure that all have access to these amazing creatures.

An Introduction

Located in Wernersville, Pennsylvania, Holy Spirit Farm & Horse Sanctuary (HSF) is a 501(c)3 non-profit horse and animal sanctuary ruled in 2017. The primary function of our organization was to rescue, rehabilitate, and rehome (RRR) as many horses, ponies, and donkeys as possible, before expanding the mission over the course of the last few years.

Run completely by volunteers, HSF is now dedicated to several operations.

- The RRR of equines capable of leading a normal life
- The preservation and sanctuary of equines and farm animals who would not thrive in a "typical" setting
- Enable community members to experience horses in an inclusive and welcoming atmosphere

Our work is expansive, and requires a great deal of effort both on and behind the scenes. Not only are we faced with the constant care of live animals - a 24/7 job - but we also face the challenges of staying afloat. To do this, we have created a wonderful culture of volunteers and implemented a great deal of services able to be offered to the public.

Current times however, are making it difficult to continue monetarily.

As such, we have begun seeking likeminded and kindhearted individuals and organizations who are able to help make a difference in the animal rescue world. We are seeking sponsors.

To be a sponsor for HSF is to make a difference in the lives of animals and the lives of those residing in Berks County and surrounding areas. Funds donated on a monthly basis go directly towards the care of the animals or to the general maintenance of our facility, which does not come easily, and are tax deductible.

Left: (2020) Pig Floyd, a.k.a. Bubbles, was given to us by the Berks ARL following her capture. She had been wandering railroad tracks in the Reading, PA area, was riddled with mites, had a shattered right leg, and had no ears. Bubbles was most likely discarded "bait." Pigs are frequently used to incite fights between dogs, and signs point to Bubbles having been used for this.

Above: Bubbles (2021 and 2022) had a long road to recovery and involved some hefty medical bills. She slowly regained the use of her leg, had a coat grow in, and became trusting of people. In the left image, she gazed on as we fed her friends treats. In the right, she was happily trotting over to see what we had in our hands.

Sponsors

HSF sponsors are individuals or businesses that are dedicated to helping animals just as we are. They make it possible for us to continue our work saving and rehabilitating animals.

Sponsors often assist our rescue monthly in a monetary fashion. However, sponsors have also assisted instead in the direct contribution to our monthly feed supply, bedding supply, and other husbandry necessities.

All monthly contributions can be set up for automatic disbursements, and accounts for feed and medical can be provided.

Benefits

We like to give back to our sponsors and primarily do this through advertising, private events, and through tax deductions.

Our website has gained notable traffic over the course of the past year, hitting an average of 1,000 unique visits each month. Our sponsors are proudly displayed so that the community may know who is helping to keep our rescue afloat. Additionally, we display banners at all public events with sponsor logos or names.

Beginning in the spring of 2022, we began hosting events tailored to our sponsors. These events were centered around the animals in their names. As we progress and get this program underway, we look forward to hosting private, sponsor-only events and gatherings.

With our non-profit status comes the ability to make tax-deductible donations. All monthly contributions are eligible for this.

BENEFITS FOR SPONSORS

ADVERTISING

We believe that our sponsors should be made aware to all of our constituents. They are posted on our website and are advertised at all events. Any social media post that we can make applicable is also generated on our sponsors' behalf.

EXEMPTIONS

Monthly donations, whether monetary or physical, are tax deductible. We can provide receipts demonstrating our sponsor's contributions to be used with both local and federal taxes.

GIVING

IS THERE A SPECIFIC
AMOUNT?

HOW MUCH DOES A HORSE COST?

At our farm, the average cost per horse per month is \$350. This includes hay, grain, supplements, and bedding only. Other costs that are incurred are farrier, dental, and medical care. The medical regimen for each horse varies and as such, each horse and animal incurs different costs.

Our sponsors can give whatever amount they choose. We are simply grateful for any assistance we receive.

Dedicated funds can be directed at a specific horse, otherwise, all funds go into a general account to care for all rescues.

HOW TO BEGIN

Physical Location

131 Justa Road
Wernersville, PA 19565

Office

CALL OR E-MAIL US

If you feel you or your organization can be of help to Holy Spirit Farm Horse Sanctuary, reach out to us. We would be thrilled to have the opportunity to discuss sponsorship with you.

PICK AN ANIMAL

While not necessary, you can choose a specific animal to sponsor. Some individuals/businesses like to know that their contribution is directed at a specific animal(s). All animals at the farm can be found on our website, or, come visit them in person!

COME VISIT

After you've decided to sponsor, come out and visit the farm! See where your contribution is going and meet the team.

**THANK YOU, AND WE LOOK FORWARD
TO WORKING WITH YOU.**
